

# The Voices Project

A collaboration between Norwich Mind and BBC Voices

If you are from a Black or Minority Ethnic community and living in Norfolk, then we would like to hear your story. Norwich Mind, together with BBC Voices, wants to record people's experiences of growing up, living and working in the county over the last 50 years.

Whether you have lived here for many years, or moved here more recently, your personal story will help us create a permanent record of the historical and cultural landscape of Norfolk.

Celebrate and share your heritage.

For a free information pack contact Norwich Mind on [voices@norwichmind.org.uk](mailto:voices@norwichmind.org.uk) or 01603 432457.
